## Message from our President

I am pleased to welcome everyone to the 2023 Awards Presentation Banquet of the Central Pennsylvania Chapter of the National Football Foundation & College Hall of Fame. The National Foundation was founded in 1947 as a member-supported, non-profit organization that operates nationwide programs devoted to achieve its mission which is “Using the power of amateur football in developing leadership, sportsmanship, competitive spirit and academic excellence in America’s youth”. Our Chapter is one of 120 chapters nationwide involving over 12,000 members.

For this year’s award ceremony, our local chapter is proud to honor Senior scholar-athletes from 49 high schools and 10 colleges and universities. These outstanding young men were selected by their school to receive this Achievement Award based on three criteria: Football skill, Academic success, and Community Service. Additionally, a select number of highest ranking seniors will each receive a \$1,000 scholarship.

We will also present special awards for Lifetime Achievements in Football Coaching and Officiating, and a selected high school senior will receive the Joseph Sarra Community Service Award.

Today’s Banquet is highlighted by our Guest Speaker, Penn State and NFL star Stefen Wisniewski.

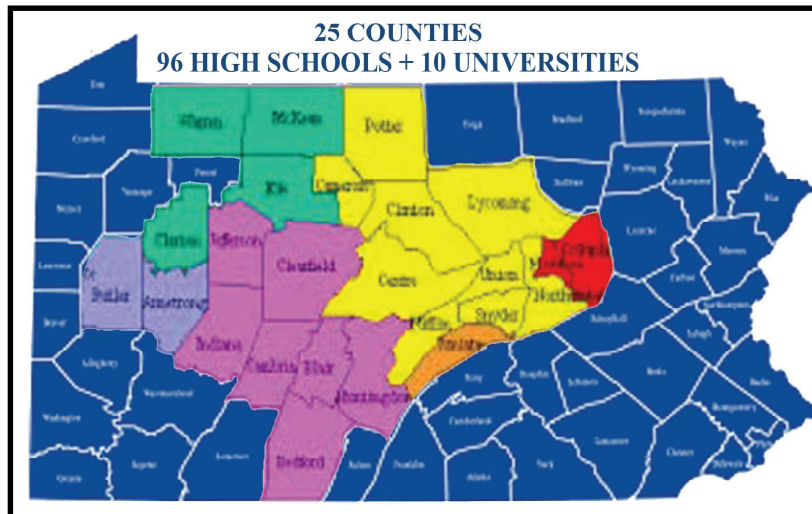

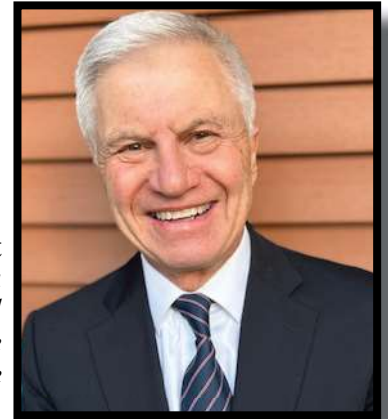

In the past 25 years, our Chapter has honored 1,200 high school and collegiate nominees and we have awarded over \$300,000 in scholarships. This would not have been possible without the tremendous generosity of our members, sponsors and donors. This year’s sponsors and donors are listed in the program and they have earned our sincere thanks and appreciation.

In order for this Chapter to continue our mission, we need your help. If you are interested in becoming a member, donor or scholarship sponsor, or if you know of another person or business that may be interested, please reach out to Ron Vanderlinden at today’s banquet or contact me at the number below. Or you can simply call your local high school athletic department for our contact information.

Thank you and enjoy the banquet!

## Eastern Regional National Football Foundation & Central PA Chapter's "Team of Distinction" Award Winner John Shuster, Windber Area High School

*Guest Speaker, Stefen Wisniewski, former PSU and NFL player and Chapter President, Sam Phillips present the 2023 "Team of Distinction" Award to John Shuster Windber Area High School.*

IRVING, Texas – From a pool of 3,500 scholar-athletes, the National Football Foundation & College Hall of Fame (NFF) announced today the 65 members of the 2021 NFF Team of Distinction. As part of its mission to promote the scholar-athlete ideal, the initiative allows the NFF to honor the top high school scholar-athletes from around the country as the best and the brightest at the local level while highlighting the work of the NFF Chapter Network.

The members of the team are only seniors who all played their final high school football season. As part of the award, all of the honorees will be part of a permanent digital display at the Chick-fil-A College Football Hall of Fame in Atlanta.

Criteria to make the team include but are not limited to academic achievement, athletic accolades and community involvement. Each chapter is limited to one honoree, distinguishing them as the top scholar-athlete from all the high schools covered by the chapter.

"This initiative allows us to shine a national spotlight on some of the most deserving high school student-athletes honored at the local level by our expansive Chapter Network," said NFF Chairman Archie Manning. "This honor is one of the most prestigious national awards that a high school player can receive. We would like to congratulate all 65 honorees for their success on and off the field, especially with the challenges caused by the pandemic during their senior year."

Since 1954, the NFF Chapters have played an integral role in supporting and promoting the game of football at the amateur level while honoring the top scholar-athletes in their local areas. With more than 12,000 members, the nationwide NFF Chapter Network impacts more than 500,000 student-athletes at 5,000 high schools across the country each year.

The centerpiece of the Chapter Network's efforts are the annual chapter awards banquets, which recognize more than 3,500 of the nation's top scholar-athletes and distribute more than \$1 million in scholarships. Despite the pandemic, the NFF chapters exhibited creativity and ingenuity to honor their local scholar-athletes through virtual events, drive-thru events and in-person banquets (when allowed by local protocols).
